

Authentic Distribution Notice From Kim Enders

This Script, Squeeze Page Manager, comes with Basic Resell Rights!

This means you can sell the script and keep 100% of the profits but you can not sell the resell rights to your customers.

Also, this script may NOT be given away for free. It must be sold. Why? It's very common for very high-quality eproducts to completely lose their value by people giving them away for free or for selling them for pennies. I believe this script is very much worth retaining its value!

Want exclusive transferable resell rights to 6 awesome, original Ebooks and 4-8 more Ebooks each month?

Want to be able to sell hot, new Ebooks and keep 100% of the profits? If so, then My Resell Portal will be a perfect fit for you! And becoming a member of My Resell Portal is easy, fun, and inexpensive! Visit <http://www.my-resell-portal.com> for more details!

IMPORTANT!
